MEDIA STATEMENT

Austin ~ State Senator Tommy Williams (R-The Woodlands) and Chairman of the Senate Transportation and Homeland Security Committee, issued the following statement today concerning SCR 36 recently filed in the Texas Senate.

"I am very pleased to have my colleagues Senator Juan Hinojosa (D-McAllen) and Senator Eddie Lucio (D-Brownsville) along with Senator Troy Fraser (R-Horseshoe Bay), Senator Joan Huffman (R-Houston) and Senator Steve Ogden (R-Bryan) joining in support of SCR 36. The voice of this bipartisan group sends a strong message to the current administration and the U. S. Congress that we expect the federal government to fulfill their constitutional duty to secure our border and reimburse Texas for the extra costs our state has incurred, due to the feds failure to protect our border.
